

Insoll Avenue School Panui

Thursday 3rd April 2025

Term 1, Week 9

Kia ora Koutou

Here at Insoll we love to celebrate the differences we see in each other. We have students with different nationalities, beliefs, passions and personalities. Across the playground I see students playing and learning together in ways that amaze me. I am extremely proud to see how our staff and students share and care for each other as we learn about each other, how to work together and learn alongside each other. We are a constant hive of activity and never a boring place to be!

Suzanne Wright, Principal

Spare Clothes

We often send our students home in different clothes due to accidents and getting wet from adventures. If we send your child home in different clothes to what they left for school in, please wash and return the clothes. We have a limited supply of donated clothes that we use so we need them returned. If your child is a regular borrower of school clothes please add spare ones from home into their school bag.

Parent Teacher Interviews

Our students have completed some amazing work this term and we would like to celebrate this with you. We will be having Parent Teacher Interviews on Tuesday 13th and Wednesday 14th May. Interview time selection sheets will come home in week 1 next term. We normally would have had interviews at the end of term 2 so we are just bringing them forward to earlier in the term.

Police Visits

You whaanau may have come home and shared that we've had Constables Erina, Mike and Toby visiting school over the past few weeks. They have been coming during our play breaks to meet our students and become familiar faces. They have challenged our students to running races, hung out at the pool and playground, chased bubbles and helped with road patrol. Having them known to our students is a positive move in case we need their support for events later on in the year.

New Staff

We have welcomed 3 new teacher aides to our team this term. We have Lizzie, Louise and Kyriah joining us for support in classrooms across the school. They are joining a team of stunning classroom supporters! They are working across classrooms so you might hear their names in conversation at home as they settle into their roles.

Quick notes and dates;

- The last day of the Term is next week - Friday 11th April
- Term 2 starts on Monday 28th April
- Tuesday 13th and Wednesday 14th May - Parent Teacher Interviews.
